Parents' Service League Committee List

Meetings of the Parents' Service League (PSL) are generally held on the third Thursday of each month at 8:00 AM immediately following breakfast at school. There is no meeting in December. The first meeting of the 2009-2010 school year will be held on Thursday September 17th. ALL PARENTS ARE WELCOME TO ATTEND. Every family should be represented at this one meeting per month. BREAKFAST CLUB

Dr. Boolootian's Thursday Morning Breakfast, a hallowed Mirman tradition now in its 18th year, will begin a new era with Chef Missy Fine in the kitchen leading her merry band of parent volunteers. New volunteers are needed to help cook, serve, and clean up at this unique weekly event. Even if you cannot make every single Thursday, we will gladly accommodate your schedule. As the duties are completed by approximately 8:00 a.m., this committee is ideal for those parents who work full time or have other daytime commitments.

COMMUNITY SERVICE

This committee offers opportunities for students and their families to serve community needs. Annual events have included One Voice's holiday food-packaging event and various book, clothing, and toy drives. This committee also organizes food drives to feed local families in need. Additionally, through these programs, the Upper School students may earn "community and/or school service credits" both on and off campus. Please join us and help maintain our ongoing service commitment to others in our local community.

LIBRARY

Library volunteers assist in checking books in and out and shelving books while a Lower School class is in the library. The shifts are 45 minutes to 1 hour, either weekly or every other week. You may work when your child's class is in the library or at another time. To work in the Library you **must** attend an orientation the first week of school, even if you worked in the library previously.

To sign up for an orientation, please email Mrs. Caldwell at loracaldwell@yahoo.com. Mrs. Caldwell will post the library schedule on the library website, under Volunteers, when it is available: www.mirmanlibrary.org. There will be a link on that page to Mrs. Caldwell's email to tell her which shift you want or you can tell her at the orientation. Volunteers will also staff the annual Book Fair, which returns home to our beautiful new library in November.

LUNCH PROGRAMS

We always need help in serving these tasty and nutritious meals. Without parent volunteers, this wonderful food program could not exist. Even if you can only commit to one or two days a month, our committee chairs will be happy to accommodate your schedule. The smile on your child's face when he or she sees you at school will make rearranging your schedule worth it. Moms, dads and grandparents are always welcome.

MIRMAN GLOBAL VILLAGE

The Mirman Global Village Committee is committed to supporting and nurturing the school's diversity. This committee endeavors to bridge different cultures and to celebrate the unique individualities of our families and students. We seek to identify parent volunteers who are interested in supporting the school's commitment to a learning environment that embraces diversity and interculturalism. The five different subcommittees of the Mirman Global Village hold weekly intercultural discussion groups for parents, sponsor the Mirman intercultural family mentoring program, host cultural celebrations for students, teach global citizenship through alliances with international voluntourism agencies, and organize a weekly recycling project whose proceeds fund volunteers' service projects locally and internationally. Volunteers are needed to help this committee continue with its important work, including Friday morning recycling efforts.

The participation and support of every single family is crucial. The Spring Fair Committee needs as many parents as possible involved in every aspect of planning this wonderful day. Please see the Spring Fair flyer for information on joining the Spring Fair planning committee. Each family should also plan to work a two-hour volunteer shift at the Fair.

SPRING FAIR AUCTION CLASS PHOTO BOOK COORDINATORS

The job of the photo book coordinator is to take and/or collect photographs from your class, either ones you take yourself, or ones that others have taken, and turn them into a digital photo album, using an online service such as Shutterfly, Snapfish and others. Photo collection begins at the very beginning of the school year, and completed books are due a couple of weeks before the Spring Fair. Copies of the book are sold through the online and silent auction, final orders are placed and the books are distributed to the purchasers. Photo book sales this year gave the school \$10,000! If you are creative, like photos and making photo books, this may be a good job for you. We need one photo book coordinator per class.
